

Revolutionizing Corporate Healthcare

- **Cashless OPD**

Cost Savings & Value-Added Benefits for Companies & Employees

INTRODUCTION

The Flash Health Digital Platform was built with one focus in mind and that is, to make access and affordability of healthcare really, really, really,

REALLY SIMPLE...

THE PROBLEM

Traditional OPD Reimbursements Are Costly & Inefficient

10 - 15

Business Days
to process medical
claims

30%

Claims are rejected due
to incomplete
paperwork

35%

Of administrative time
spent managing claims
management

45%

Of medical insurance
premiums remain
unused

WHAT IS **CASHLESS OPD?**

A fully digital OPD healthcare solution eliminating admin hassle and upfront costs.

1

No upfront premium. I pay only for what is utilised

2

I never have to submit a claim again! Its **paperless**

3

My claims are redeemed instantly!

4

This is cost effective & no MOQ!

KEY BENEFITS FOR COMPANIES

✗ Traditional Insurance	✓ Cashless OPD
Companies pay fixed insurance premiums regardless of usage	Pay-as-you go model with NO upfront premiums
High administrative costs in managing OPD reimbursements	Digitally streamlines and NO admin hassle
Employees face delays in claims processing	Employees have the option of going cashless!
Lack of transparency in medical expenses	Transparent claims review process
If employees resigns, no refunds on insurance premiums	Since no-upfront premiums, save the whole value!

45%
Savings!!!
